

2.2.2 Evidence of Parent Consultation on IEP

The BC School Act states that school boards “must offer a parent of the student, and where appropriate, the student the opportunity to be consulted about the preparation of an IEP.”

School year _____

School name _____

Student first name _____

Student last name _____

By signing, I acknowledge that I have been provided with the opportunity to be consulted about the preparation of my child’s IEP for this school year.
