

AP 1401: Event Protocol

The Superintendent has been given the responsibility to ensure positive external and internal communications are developed and maintained. Proper protocol is to be followed for events organized by schools. The Superintendent is to be informed whenever elected officials, dignitaries or First Nations leadership are involved in District or school events.

The success of a District or school event depends largely on good planning, as well as having a defined agenda and purpose for the event. If the event is well planned, protocols normally flow smoothly.

Protocols will vary from one situation to another, depending on who is involved in the event. Accordingly, in the planning for an event, the order of introductions and speakers must be given special attention.
